

In Loving Memory of
Bobby Pooran Raghoobarsingh

Sept 29, 1945, to April 21, 2023

Land of the Humming Bird

Those who eat the cascadura will, the native legend says,
Wheresoever they may wander, end in Trinidad their days,
And this lovely fragrant island, with its forest hills sublime,
Well might be the smiling Eden pictured in the Book divine.
Cocoa woods with scarlet glory of the stately Immortelles,
Waterfalls and fertile valleys, precipices, fairy dells,
Rills and rivers, green savannahs, fruits and flowers and odours rich,
Waving sugar cane plantations and the wondrous lake of pitch.
Oh! the Bocas at the daybreak-how can one describe that scene!
Or the little emerald island with the sapphire sea between!
Matchless country of lère, fairer none could ever wish,
Can you wonder at the legend of the cascadura fish?
